Hon President

May I be permitted to add that the Market idea was an annual feature But- latterly the history of it became irregular The Present- Council wants to revive it, and this year it is proposed to give the main emphasis to 'grow more vegetables' and 'grow more food' Campaign. If it is held about the last week of

December, the show attracts
very good "Vegetable" and food
sale. A large population from
the C+R Station will also
attend. The C+R station
has a convention show we wish to
have it just a two days earlier
so that we will forestall them
in the market so far as buyers are
concerned. Early sanction is prayed for

SIR

Re Market Show & Health Exhibition to be held in December '44

With reference to your letter No ~~A7-Pr 83/44~~ L 5206 of the 29th instant, enquiring how the amount of Rs 4,000/- provided for the above has been arrived at etc , I have the honour to state that a sum of Rs 2,100/- was spent for the Market show held in January 1939, and similar sums were provided for the shows held in 1940 and 1941. A similar amount is also necessary for holding the Health Exhibition to be held in December 1944 This amount is required to meet the expenses in connection with the two functions, for advertisements, for providing stalls in the Market for the show, for printing etc , As regards the admission, it is by tickets to the Market show and the right of collecting gate fees on the days of the show will be disposed of/to the highest bidder lyanchai The temporary stalls constructed for the occasion will also fetch some money and the right of collecting fees in the Cycle stand on the days of the Show will also yield some revenue It is seen from the records that a sum of Rs 450/- was realised by the above sources during 1940 show and in view of the present condition, a sum of Rs 500/- may be expected to be realised by the above sources

The Market show is not intended as a remunerative enterprise but as a normal activity and feature, which popularises

the market and ehhances its value, in the eyes of the public Market shows have been held for many years past The show is intended, to attract visitors and increase sales

The Council has at a special Meeting, already constituted a Committee to make arrangements for the show and it is proposed to hold it on 22nd or 23rd December 1944 - a day or two prior to the show in the C& M Station The matter is of great urgency and it has been sanctioned in previous years Early actio sanctio is requested to enable action to be taken

I have the honour to be,
Sir,
